

We dealt with our bilateral relations primarily -  
while ~~never~~ agreed to discuss Europe

1. Must continue to maintain European strength if a meaningful agreement is to be reached - just as they made clear they will continue to support the Alliance.
2. This is not in derogation of any Alliance or of our new initiatives ~~China~~ for better relations with P.R.C.

For Peace of world -  
U.S.S.R. & U.S. must seek good relations with all nations.

We recognize danger - that disputes between 37 countries ~~may~~ constitute greatest danger of dragging us into conflict.

① (quote principles on our agreement to reduce use of force to real

reduce ~~such~~ danger in such areas)  
We did not agree on everything  
We discussed V. Ven - + Mideast - eg.  
We did not reach agreement -

I pledge America will use its efforts to end war - as most known last  
Geneva Peace Plan, Withdrawal + POW.

most important  
we must not  
have any more  
V. Nam +  
Hmas -  
Overly optimistic  
Sincere good hope  
we can  
achieve  
that  
goal

After the Summit we must ~~make~~  
redouble efforts to remove other  
every possible trouble spot which  
might draw us into conflict.

Trade is not going to spring up ~~overnight~~  
overnight.

- ① But I am convinced there are great opportunities.
- ② We narrowed differences a long time ago.
- ③ ~~But~~ Our Alliance in July will open way -

Historical File

We enter a new age -

Britain -

China -

New Europe -

Japan -

Newly developed -

- proud of their parts - faith  
in their future - now challenge  
America's leadership -

Let us meet it - not ~~to~~ <sup>to</sup> satisfy any  
~~our~~ jingoistic feeling of superiority -  
but because we are a great people  
own it to itself & to world to  
do its best - to contribute its most -

Why is this especially our American  
obligation - because with our faults  
& our mistakes

America - seeks a new world -  
- not for our benefit but for benefit  
of all mankind - (Jefferson quote)

<sup>people</sup> reputation from us - America -  
all nations respect us -

Let us be worthy of that of others  
- true to our destiny -

This course is not mine, not my party's -  
- not the W.A. - not the League - but  
is as big as America itself -

Proud of our present

Faith in future

Let us build a new America  
- opportunity - join these powers to  
- ~~and~~ so that New America can  
help play the role God has destined for it

help build new world  
- of America  
- building America  
- the only chance  
- more energy  
- trying to get  
- to meet the  
- needs of the  
- people
